US FIGURE SKATING CLASS STRUCTURE

One Hour Skating Party Fun

Mice on Ice (Ages 3 to 5) This pre-school Learn-to-Skate program will act as a 1-hour skating party combining on- and off-ice activities to help children not only become comfortable on the ice, but also providing time for building their socialization skills with a craft and snack time.

On-Ice Activities Emphasis will be placed on familiarizing the preschooler with the ice by teaching them how to stand, march, fall down and get up. Eventually, the skater will progress to learning the basics of skating according to the USFS guidelines. The coaches help to achieve this in a fun and relaxed environment. Upon completion of the Mice on Ice program, skaters will be ready to move on to Snow Plow Sam 2-3, Rink Rats or Basic Hockey class.

Off-Ice Activities A great beginning to skating starts with feeling comfortable in your skates. Some off-ice activities will include marching, sitting down and standing up with skates on. Class time also includes time for socialization, following directions, creating a craft and enjoying a snack.

QUESTION & ANSWER

Do you have a question? Please ask. We are here to help.

Q: Is there a charge for skate rental?

A: Yes. Skates are available for \$2 per pair, per class, per skater at the Skate Rental Desk. Helmets are \$2 per helmet, per class, per skater. Payment for the skate and helmet rental is completed at the rink's front desk. A receipt must be shown to the Skate Rental Desk for receipt of skates and/or helmet.

Q: Should my skater wear a helmet?

A: Helmets are required for all skaters (ages 6 and under) enrolled in Mice on Ice, Snow Plow Sam and Basic Skills. Bicycle helmets may be used.

Q: What type of clothing is suitable for my skater?

A: Dress your skater in warm, comfortable clothing which gives the skater the freedom to move. Soft, warm socks are recommended for the boots along with gloves (with fingers) for keeping hands warm.
